1 ABOUT US

Direct Imex is specialized in the advising, manufacturing and distribution of reusable and customizable packaging and accessories.

Located in Vietnam since 2015 , the expertise and adaptability of our team offer the best service by answering our customer's needs and concerns.

Quality, time saving, understanding of the needs, customization and environmentally friendly innovation are at the heart of the Direct Imex strategy.

We are willing to bring to you the best solutions needed for your purchases and your product/warehouse sourcing, thanks to our physical presence in Asia, and also keep you from having any quality or transport issues.

2 OUR ENVIRONMENTALLY FRIENDLY BAGS

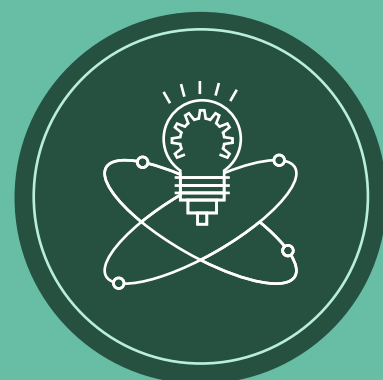

Economic, very resistant, reusable, washable and recyclable.

Composed of 50% to 70% of recycled materials, with or without lamination.

The several options that we propose will allow you to realize an ultra-personalized communication thanks to your PP woven recyclable bag.

PP WOVEN OR NON WOVEN

Impression: **CMYK**
Handles: **simples or double**

Options : **on request**
MOQ: **3,000 pieces**

Reusable, recycled, durable,
resistant, customizable.

Composed of more than 80% of
recycled plastic materials (collected
plastic bottles), possibility to
manufacture 100% of the bags with
rpet, handles included.

Direct Imex is capable of creating
your customized bag with recycled
materials, with or without
lamination.

LAMINATED OR NON LAMINATED RPET

Impression: **CMYK**
Handles: **simples or double**

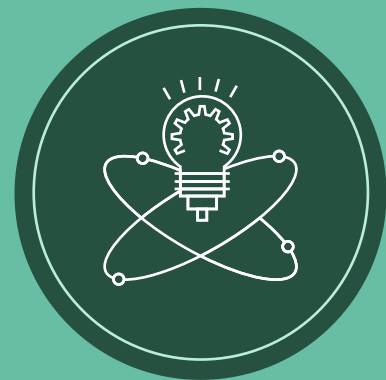

Options : **on request**
MOQ: **5,000 pieces**

Resistant, lightweight, foldable, washable, water-resistant, reusable.

Possibility to manufacture the bag with flexible or non-flexible rPET.

Our flexibility allows us to adapt towards your requests by offering tailored solutions, in order to create the most suitable bag.

POLYESTER

Impression: **CMYK**
Handles: **simples or double**

Options : **on request**
MOQ: **10,000 pieces**

Practical, reusable, innovative,
optimal hot and cold conservation
thanks to the zip.

Possibility to manufacture the
bag with recycled Rpet with 1 or
several pockets.

Ideal to go to the grocery store
or even have an outside pic-nic.

ISOTHERMAL

Impression: **CMYK**
Handles: **simples or double**

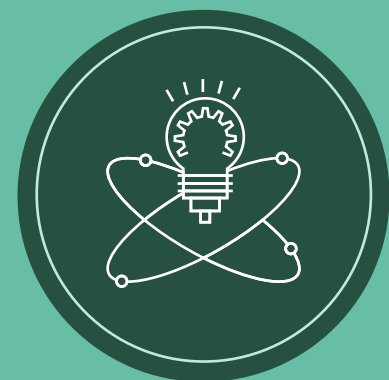

Options : **on request**
MOQ: **1,000 pieces**

Reusable, foldable, washable,
ecological, recyclable.

Possibility to manufacture it
in 100% organic cotton.

We can produce the customized
cotton bag of your choice, which
is more and more becoming an
eco-responsible communication
tool.

COTTON

Impression: **CMYK**
Handles: **simples or double**

Options : **on request**
MOQ: **1,000 pieces**

Economic, practical, ecofriendly, foldable, recyclable.

Biodegradable, possibility to manufacture it in 100% paper, handles included.

Our personalized paper bags are ideal to replace single use plastic bags.

PAPER KRAFT

Impression: **CMYK**
Handles: **simple or double**

Options : **On request**
MOQ: **1,000 pieces**

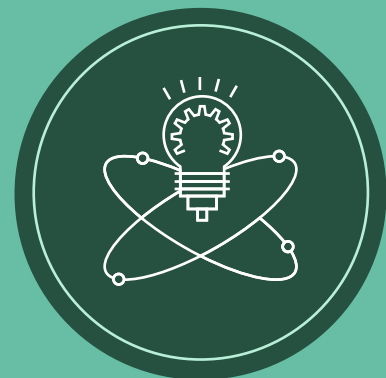

JUTE

Trendy, reusable, ecological, resistant.

Composed of natural fibers, it is possible to produce it with or without lamination (interior and exterior).

By sharing your requests with us, we will be able to create the ideal burlap bag for you with an eco-responsible approach.

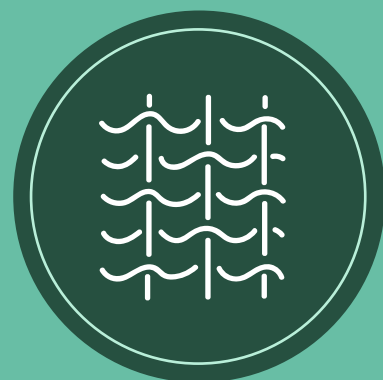

Impression: **CMYK**
Handles: **simples**

Options : **on request**
MOQ: **1,000 pieces**

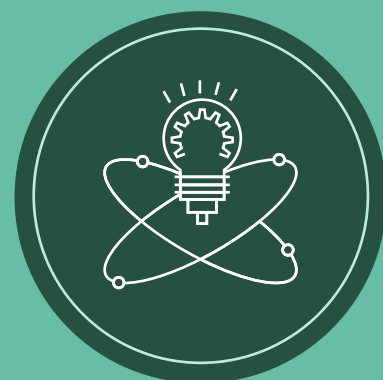

MESH

Soft, lightweight, reusable, ecological, durable, resistant, washable.

Lots of reusable materials available: Polyester/rPet, cotton, 100% organic cotton
Customizable or standard.

Our mesh bags are ideal to contain fruits and vegetables as well as for their storage in the fridge.

Impression: **CMYK**
Handles: **simple or double**

Options: **on request**
MOQ: **1,000 pieces**

Elegant, practical and lightweight, foldable, tailored, innovative.

We produce high end bags and boxes since 2017. Our sustainable and ethical approach offers you a large panel of materials and products, especially our 100% paper without lamination bags.

LUXURY BAGS AND BOXES
